Bring Home Peace of Mind

PEACE-OF-MIND PERFORMANCE

Relax, you're covered by one of the best warranties in the industry¹—up to 10 Year Limited Parts + Limited Lifetime Heat Exchanger².

ENVIRONMENTALLY FRIENDLIER

The ultra low-NOx operation of the S801****U model helps you lower your carbon footprint by minimizing greenhouse gases.

QUIET OPERATION

Sound levels range from quieter to quiet with insulated cabinets and truly variable speed airflow technology³—giving you one of the quietest furnace lines available⁴.

Simplified Install & Service with Bluetooth Technology

Built-in Bluetooth connectivity⁷ makes it faster and easier for your contractor to install and service your new system. This can help lower your costs and help make your home comfortable again—fast.

GENUINE COMFORT

Two-stage⁵ (medium, low) or single-stage (low) heating operation⁶, along with variable speed motor technology, ensures a steady stream of just-right heated airflow to maintain your comfort level preference while providing superior humidity control.
