

DELIVERING REAL COMFORT.
REALLY EFFICIENTLY.

Gas Furnaces
S97MV

VANTIX™

Sure Comfort® Vantix™ Line

The Sure Comfort Vantix Line S97MV is ENERGY STAR® certified, offering one of the highest efficiencies available today. That means you enjoy consistent comfort while watching your utility bills go down.

SureComfort.com/Vantix

High Efficiency

Innovation You Can Count On

Patented industry-first features and advanced design make the Sure Comfort® Vantix™ S97MV a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹—10 Year Limited Parts + Limited Lifetime Heat Exchanger + Conditional Limited Lifetime Unit Replacement.

Quietest Operation in a Powerful Package

Cozy and quiet vibes are guaranteed with our insulated cabinet and truly variable speed airflow technology—giving you one of the quietest furnaces available².

Exceptional Energy Savings

Higher AFUE (Annual Fuel Utilization Efficiency) ratings mean more energy savings and this 97% AFUE, ENERGY STAR® certified gas furnace is close to perfect when it comes to efficiently converting gas to heat—offering up to \$85 in annual energy costs savings³ and potentially even more with available rebates.

Genuine Comfort

A modulating gas valve design allows for operation between 40% and 100% to continuously meet your specific heating needs, while the variable speed motor technology ensures a steady stream of perfect warmth and superior humidity control—together providing optimal comfort levels.

and Total Comfort

Helping You Live Both Comfortably and Sustainably

Many Sure Comfort products have sustainability features, but the S97MV has earned our Sustainability Standout Seal, indicating it's among the best of the best. We created the Seal to help you more easily find the products that save energy, save money and save the planet.

Among Furnaces, This One's a Star⁴

Earning ENERGY STAR[®] recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

VANTIX™

FEATURES AT A GLANCE

Input Rate: 60–115 kBTU

Configuration: Downflow/Horizontal

Sure Comfort USA
5600 Old Greenwood Road
Fort Smith, Arkansas 72908

Rheem Sales Company, Inc. manufactures the Sure Comfort brand of residential heating & cooling products. In keeping with its policy of continuous progress and product improvement, Rheem reserves the right to make changes without notice.

¹Registration is required for the conditional warranties. For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local Contractor or go to SureComfort.com for a copy of the product warranty certificate. ²Based on manufacturer's furnace offering, and the product's heating stages, motor type and cabinet insulation. Sound levels are also dependent on furnace location and installation. ³Per EnergyStar.gov, when compared to a standard 80% AFUE gas furnace. ⁴Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit EnergyStar.gov.
